Key

Y = YES. Ingredient is PRESENT in the product as an ingredient, food additive or processing aid.

T = Ingredient is present in TRACE levels only. Based on supplier information, traces may be found due to shared equipment or storage on same site for the manufacture of other products.

Where the square in the table is blank, this indicates that the presence of the listed allergen or traces of the listed allergen has not been reported by our suppliers.

Further Information

Please be aware that there is always a risk that traces of allergens may be transferred to items from our menu during processing, storage or preparation in our kitchens. For these reasons Chicken Treat are therefore unable to guarantee that any item sold is free from traces of listed allergens.
